

# Certificate

of completion

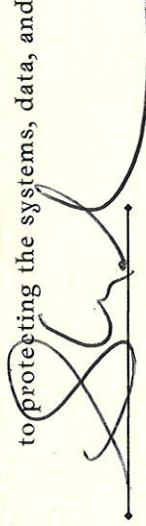

THIS CERTIFICATE IS PROUDLY PRESENTED TO

*Stacey Menley*

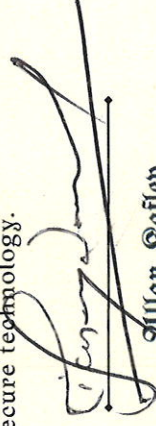

This certificate is awarded in recognition of successful completion of the Cybersecurity Analyst Bootcamp and the demonstration of practical skills in security monitoring, incident investigation, threat analysis, and professional reporting.

Through hands-on cybersecurity labs, simulated Security Operations Center (SOC) activities, and applied analysis of real-world cyber incidents, the recipient has strengthened their ability to identify threats, investigate security events, communicate findings, and support cybersecurity operations serving public and private sector organizations.

May this achievement serve as a foundation for continued growth as a cybersecurity professional and as evidence of a commitment to protecting the systems, data, and communities that depend upon secure technology.
